## Gift aid declaration

I am a UK taxpayer and would like Iris Cancer Partnership to treat all donations I have made in the past 4 years and all future gifts of money that I make from the date of this declaration as Gift Aid donations. I confirm that I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April one year to 5 April the next) that is at least equal to the amount of tax that Iris Cancer Partnership will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand that Iris Cancer Partnership will reclaim 25p of tax on every £1 that I give on or after 6 April 2008.

*'Massage offers a safe and warm holding place for the person with cancer. Deep human compassion and caring are communicated without words and without threat. It is a gentle, non-invasive form of therapy. It addresses the whole person in a gentle, human and uncomplicated way. The essential elements of massage are both simple and profound. In its essence it is touch. Touch is a vital and basic form of communication, conveying nuances of feeling, often more expressively and effectively than verbal communication.'*

Patients and clients are at the heart of all Iris work.

- A register of therapists who have completed Level 1 of the Iris curriculum is available on the Iris web site
